

## Private Instruction

Dedicated attention by an instructor in a private lesson

### Benefits

- One private lesson is worth a week of regular training
- Regular private lessons are the quickest way to achieve your karate goals
- Serves as “*make up*” from lapses in training (e.g. vacation)
- Each lesson is customized to the student
- Sensei can more deeply analyze and correct student’s weak points

Quicker progress

Custom fit instruction

In dojo or in your home

- ✓ Preparing for tournaments or grading
- ✓ A burst of self confidence for the student
- ✓ Immediate and noticeable progress

### One Student

\$65 / hour

Book of 5 hours: \$300
